

About Your Simple Insurance Policy

The Financial Conduct Authority

The FCA is the independent watchdog that regulates financial services. Use this information to decide if our services are right for you.

What service will we provide you with?

Independent advice – We will advise and make a recommendation for you after we have assessed your needs. Our recommendation will be based on a comprehensive and fair analysis of the market.

Restricted advice – We will advise and make a recommendation for you after we have assessed your needs, but we only offer advice on limited types of products, or products from one company or a limited number of companies.

No advice – You will not receive advice or a recommendation from us. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

What will you have to pay us for our services?

You will pay for our services on the basis of either Direct Debit or via Credit/Debit card. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid. The following fees may be applicable:

A fee up to £30 may be charged for mid-term changes, cancellations, or for providing additional/replacement or duplicate documents, altering direct debit payment terms, or chasing unpaid overdue premiums.

You will receive a written quotation, with a breakdown of the premium, tax and all other costs which tells you about any fees we charge relating to any specific policy or service.
